

En la ciudad de Buenos Aires, a los 16 días del mes de julio de mil novecientos noventa y dos, se reúnen la Confederación Intercooperativa Agropecuaria Cooperativa Limitada (CONINAGRO), Federación de Centros y Entidades Gremiales de Acopiadores de Cereales, el Centro de Exportadores de Cereales, y la Cámara de Propietarios de Puertos Privados Comerciales -por el sector Empresario-, y la Federación Argentina de Empleados de Comercio y Servicios -por los Trabajadores-, todas ellas representadas por las personas que suscriben el presente en ejercicio de sus respectivas personerías, y en el marco de la Comisión Negociadora de la Convención Colectiva que regulará las actividades que en el caso representan, acuerdan lo siguiente:

**PRIMERO:** Las partes, a fin de evaluar los niveles de actividad relativos a los representantes del Sector Empresario, han aplicado el criterio de estimar el valor agregado del sector productor de cereales, a la fecha, y además, la relación entre superficie cultivada y cosecha estimada futura, todo ello sobre la base de datos macroeconómicos para la estimación de productividad por el período 1ro. de julio de 1992 al 28 de febrero de 1993.

A tales efectos se adoptó igual metodología que la utilizada por el Banco Central para la determinación del valor agregado del sector que suscribe que se base en los estudios anexos a la presente y que forman parte de la misma, obtenidos a través de la Fundación de Investigaciones Económicas Latinoamericanas, la Secretaría de Agricultura y Ganadería, la Ex. Junta Nacional de Granos, etc., considerando las partes que dan cumplimiento así a lo establecido por el Decreto 1334/91, que en su Art. 1ro. dispone: "... que las partes deberán acordar las bases de cálculo y el método que les permitirá medir la productividad."-----

**SEGUNDO:** De la estimación realizada para el período de vigencia de este acuerdo, 1ro. de julio de 1992 al 28 de febrero de 1993, surge que no se producirá un incremento en el nivel de empleo de la actividad, más allá de los otorgados en el año inmediato anterior, en virtud de la tecnificación operada en el sector que el mismo comprende.

Del análisis de estos datos resulta y resultará un incremento de la productividad que no modificará el leve crecimiento del nivel de empleo de la actividad por la tecnificación señalada.

Del mismo análisis también, resulta un aumento de productividad pasada y estimada para el futuro. Sobre esta base se determinó la mejora salarial acordada, corrección que resulta suficientemente respaldada.-----

**TERCERO:** Con el fin de incrementar la productividad y eficacia del sector, ambas partes conjuntamente realizarán las gestiones adecuadas en el ámbito de la Convención Colectiva de Trabajo, conducentes al análisis

Se suscribe ante el convencimiento de la permanencia del incremento del nivel de actividad y de la productividad incluidas en las cláusulas precedentes.

SEPTIMO: La parte empresaria se compromete expresamente a dar cumplimiento a lo normado en el art. 3ro. bis C del Decreto 1334/91.

SOCTAVO: La parte sindical, deja expresamente aclarado que el "Seguro de Retiro" suscripto entre esta Organización Sindical y la Parte Empresaria del Convenio 130/75, para la actividad Mercantil "Rama General", no es de aplicación al personal comprendido en este acuerdo y, en consecuencia, tampoco es obligatoria, en este sector, la contribución a cargo de la parte Empresaria.

NOVENO: Las partes convienen que los salarios acordados en el presente deberán ser efectivizados, dentro de los cinco días posteriores a la notificación de su homologación, a cuyo efecto, ambas partes elevarán el presente acta al Ministerio de Trabajo y Seguridad Social para su correspondiente homologación.

DECIMO: Se ratifica en todas y cada una de sus partes la cláusula décima del acta acuerdo suscripta el 16 de abril de 1990.

The bottom of the page features several handwritten signatures and initials. On the left, there is a signature that appears to be 'Asun'. In the center, there is a large, stylized signature that looks like 'S'. To the right of this, there is a signature that appears to be 'Green' with a checkmark. Further right, there are several other initials and signatures, including one that looks like 'mm' and another that is a large, bold signature.

The bottom of the page features several handwritten signatures and initials. On the left, there is a signature that appears to be 'Perru'. In the center, there is a signature that looks like 'Pere' with a large flourish underneath. To the right of that, there are initials 'm' and another signature. On the far right, there is a large, stylized signature or mark.

The bottom of the page features several handwritten signatures and initials. On the left, there is a signature that appears to be 'Hernandez'. In the center, there are initials 'JL' and a signature that looks like 'Derey'. On the right, there is a large, stylized signature that could be 'S. S.' or similar, and another signature above it.

The bottom of the page features several handwritten signatures and stamps. On the left, there is a signature that appears to be 'Perry'. In the center, there is a large, stylized signature that looks like 'Becker' with a circular stamp underneath it. To the right, there is another signature that looks like 'mr' followed by a large, bold signature. The stamps and signatures are in black ink on a white background.
